RACEHORSE TO RIDING HORSE MASTER-CLASS

4 March 2012
at Durford Farm

See www.topcobs.com

For a number of years I have been closely involved with the re-training of racehorses and this event is being held at Durford Farm in association with Racehorse Retraining (RoR).

To own an ex-racehorse can be quite a challenge but without doubt is one of the most rewarding equestrian experiences.

This workshop is open to all ex-racehorse owners and will be especially valuable to those who have qualified/are hoping to qualify for the Ror/Tattersalls final at the Hickstead Derby Meeting.

Whatever advice you need, I am here to help.

You may also like the option of a private lesson the day before or the day after your master-class. Just contact me to confirm availability and then include it on your booking form.

The day will run as follows:

- Assessment and background of each horse to establish a way forward.
- Feeding guidelines to improve body shape.
- Saddle fitting and positioning. Bitting.
- Correct use of products, make-up, covering blemishes, lumps and bumps.
- How to trim legs mane and tail etc.
- Ground work, in-hand presentation and conformation.
- Riding work, recommended schooling plan for each racehorse.
- Dealing with problems as they arise.
- Recommended follow up training
- Information on Racehorse Retraining (RoR) and forms required.
- Information on Racehorse to Riding Horse Championships (R2R).
- Review of the day, presentation of rosettes and goodie bags
